

CLERK: Senator Wickersham would move to amend the bill, Madam President. (The Wickersham amendment, AM0936, appears on page 1164 of the Legislative Journal.)

PRESIDENT MOUL: Senator Wickersham.

SENATOR WICKERSHAM: Thank you, Madam President. I will try to be brief. If all of you remember this bill, on General File we indicated we would bring an amendment to it that provided for filing of a form with the County Assessor analogous to the form 521 that is currently filed when you transfer a parcel of real estate. That is one of the provisions in the amendment that you have on your desks now before you. The other portion of the amendment is simply a cleanup of some rather technical areas in the bill dealing with a gap period between the adoption of LB 1063 and the adoption of this bill, if it passes. If you recall, what we did with 1063 was remove a requirement that mobile homes have a title. The previous lending practice had been to note liens on a certificate of title and thereby perfect them. We're putting that procedure back in place but the language...the second part of the amendment deals with that gap period when you may have had mobile homes acquired without a certificate of title or you have a mobile home with an old certificate of title but a new loan and it simply provides and allows for lenders to note the lien on the certificate of title, whether it's a new one or an old one. With that, I would certainly urge adoption of the amendment.

PRESIDENT MOUL: Thank you, Senator Wickersham. Does anyone wish to address this amendment? Seeing none, we will now vote on the Wickersham amendment. All those in favor please vote aye, opposed nay. Have you all voted on the Wickersham amendment? Have you all voted on the Wickersham amendment to LB 340? Please record, Mr. Clerk.

CLERK: 26 ayes, 0 nays, Madam President, on adoption of Senator Wickersham's amendment.

PRESIDENT MOUL: The amendment is adopted.

CLERK: I have nothing further on the bill, Senator.

SENATOR HOHENSTEIN: Move the advancement of LB 340 to E & R for engrossing.
